

Introduction

Goodlift NL Consultancy/Metal-Tech Nederland attaches great importance to careful and safe handling of sensitive information. Goodlift NL Consultancy/Metal-Tech Nederland has therefore drawn up this privacy statement. With this privacy statement, Goodlift NL Consultancy/Metal-Tech Nederland gives insight into how it deals with your personal data in common situations. This privacy statement applies to any use of all services offered by Goodlift NL Consultancy/Metal-Tech Nederland.

Where in this privacy statement a person is referred to as ' he ', ' him ' or ' his ', it is also referred to as ' she ' or ' her '. Goodlift NL Consultancy/Metal-Tech Nederland considers that a careful handling of personal data is of great importance. Personal data are carefully processed and secured by us.

In our processing we adhere to the requirements of the privacy laws. This means, among others, that:

- we clearly mention the purposes in which we process personal data. We do so through this privacy statement;
- We limit our collection of personal data to only the personal data required for legitimate purposes;
- We first ask you for explicit permission to process your personal data in cases where your consent is required;
- We take appropriate security measures to protect your personal data and that also require parties who process personal data in our mission;
- We respect your right to provide, correct or delete your personal information on your request.

Goodlift NL Consultancy/Metal-Tech Nederland is the responsible for data processing. In This privacy statement we explain what personal data we collect and use and for what purpose. We recommend that you read them carefully.

Use of personal data.

Use of personal data when using our services, we obtain certain information from you that may be personal data. We only store and use the personal data that you provide directly, in the context of the service you have requested, or of which it is clear that they are provided to us to process.

We use the following information for the purposes set out in this privacy statement:

Supplier and hiring staff:

- Name details
- Telephone number
- Billing address
- Email address
- Gender

For hiring staff further:

- VAT number
- Chamber of Commerce number
- function
- Bank details
- Date of birth
- BSN number
- ID number

Admission of personal data to third parties.

We will not disclose your information to third parties, unless this is necessary in the context of the execution of the agreement that you conclude with us or if this is required by law.

Cookies

We do not use cookies.

Security.

- We take physical measures for access protection of the systems in which personal data are stored
- We do not use information flows between you and our website on our website. No personal data will be entered on our website.

Storage periods

The personal data described above are kept for as long as necessary to continue the cooperation with you and to provide services to you. The data will then be cleared, unless there is a contractual or legal obligation requiring longer storage (such as the seven-year tax retention obligation for payment data).

Publication

The web site may use names of vendors that have collaborated, linked to a project called the name of the customer.

Third party Websites

This privacy statement does not apply to third-party websites that are linked to our service by means of links. We recommend that you read the privacy statements of these websites before using these websites.

Changes to this privacy statement

We reserve the right to make changes to this privacy statement. It is recommended that you periodically review this privacy statement so that you are aware of these changes.

Inspection and modification of your data

For questions about our privacy policy or questions regarding inspection and alteration of (or deletion of) your personal data, please contact us at any time using the information below. You can also send us a request to view, modify or delete this information. You can also request a data statement for information that we use with your permission, or give reasons to indicate that you want to restrict the processing of personal data by us. In order to prevent misuse, we can ask you to identify yourself adequately. If the data is not correct, you can ask us to modify the data or have it removed.

Authority for personal data

Of course we will gladly help you if you have any complaints about the processing of your personal data. On the basis of the privacy laws, you also have the right to lodge a complaint with the authority personal data against these processing of personal data. You can contact the authority for personal data.

This privacy statement was last modified on 03-05-2018.
